

Moodle Learning Platform

YOUR experience?

- Any current Moodle users?
- Blackboard? Canvas?
- New to Learning Platforms?

WHAT is it?

- Leading open-source LMS
- We stay current - this summer upgraded to v 3.1
- Very Customizable
- 67% + adoption
- Not the answer for everything!
- We support alternatives: Google Drive, Google Sites, Google Classroom, or Wordpress

WHY use Moodle?

1. Communicating with Students
2. Course Materials
3. Assignments & Quizzes
4. Mark up, comment & grade
5. Student can see when enabled
6. 24/7 Access
7. e-Reserves Section - ask a Librarian
8. Analytics for tracking
9. Re-purpose each semester
10. It's expected by students

Services We Offer

- Help Designing Your Course
- Combine Sections
- Content Copy
- Archive all Courses

- Courses are created automatically
 - You have access months ahead
 - Students are added/dropped automatically
 - **You** make course visible to them when you're ready!
